Replicate

Frontend Skill Development Competition

Replica 2.0 is a frontend skill development competition designed for the FEs during Spark to give them a chance to demonstrate everything they have learned during the classes led by the OSS club.

Statement:

Students are required to replicate a given design using only HTML, CSS, Tailwind CSS, and JS. which they mastered during the GitHub and front-end development sessions at the OSS Club.

Rules:

1. Team participation is allowed with 2-3 members.
2. The event will start on 02 Oct at 1800 hrs and ends on 03 Oct 2359 hrs and any code pushed after the deadline will not be considered.
3. Participants will have to complete their submission before 03 Oct midnight.
4. Tech stack - HTML, CSS, Tailwind CSS and JS Only.
5. Use of any code editor or IDE is allowed. Popular examples are - sublime text 3, VS Code, etc.
6. Every team must give the deployed link of their submission.
7. Judging would be done after the submissions.
8. Prizes - Top 3 submissions will be awarded cash prizes and goodies.

1st Prize : ₹3000 + Merchandise/Goodies

2nd Prize : ₹1500 + Merchandise/Goodies

3rd Prize : ₹1000 + Merchandise/Goodies

Judging Criteria :

- | | | |
|------------------|--------------------|------------------|
| - User Interface | - Resemblance | - Responsiveness |
| - Code Quality | - Code Originality | |

Disclaimer:

Students must create the entire webpage while competing, and they can only begin to code once the competition has begun, anyone discovered to be in violation of the regulations will be immediately disqualified.

AIT OSS Club reserves the right to change any rules without prior information, if required, in case of any conflicts, decision of the lead organisers of replica 2.0 would be considered final. By Participating in replica 2.0 you agree to all the points mentioned above.

For any doubt, you can contact AIT OSS Club on FB, Instagram or LinkedIn. We'll get back to you ASAP.
